

# Guest Information

Strickhof Boarding School Lindau

Welcome

## General Rules

By moving into your room at the Guesthouse, you accept the House Rules «Living together at Strickhof». If you are a weekly or yearly boarder, please register yourself with the local authorities (Gemeinde) of Lindau within 10 days. There are specific regulations for visitors from abroad. Kindly check with the local authorities of Lindau for further information. Short-term boarders (up to a maximum of 4 weeks) are not required to register with the local authorities.

## Boarding School Rooms

Your room is equipped with a washbasin. Shower and toilet facilities are shared on each floor. Waste bins are emptied by the housekeeping team weekly, and every 2 weeks the bed linen is changed and the room cleaned. In order to maintain a healthy room temperature, we ask that you air your room for 10 minutes every day, particularly in winter. On "Trakt 200" there is a small laundry room with washing machine and tumble dryer available for your use (coin operated). Wi-Fi is available for you free of charge. You will receive the password upon your arrival.

## Electronic Key «Legic»

You have access to the Boarding School (main entrance) and to your room by means of an electronic key: «Legic». The main entrance is closed overnight from 19:00 to 06:00 and during school holidays, at weekends, during public holidays and can only be accessed using the Legic. The electronic key must be updated weekly using the update sensor in the main building.

## Meals

From Monday to Friday we offer you a variety of meals in the canteen. The canteen is closed or just partially open at weekends, as well as during public holidays and school holidays (you will be notified). Meals are not included in the room price. In addition to the canteen, there is a small communal kitchen available for your use in the boarding school.

## Leisure Activities

In the boarding school there are various common rooms, a lounge with bar service, as well as a gym available for your use. There are a number of possibilities in the surrounding area to engage in active sports. There are shopping facilities in Effretikon and Brütten.

We wish you a pleasant stay.
